Morton - Valley View Health Center Dental in Morton is hosting a Family Festival at Morton Elementary School Wednesday, March 30 from 3:00 – 5:00 in the cafeteria. Activities include free dental screening, magic show, face painting, games, prizes and a visit by Dr. Bear. Morton Elementary school is located at 400 Main Avenue in Morton.

All elementary age children in East Lewis County are encouraged to attend this event. Thanks to the generosity of Morton merchants, your child has the chance to win a boys or girls bicycle and helmet! Thank you, Morton merchants for your support of this event!

Valley View Health Center's focus is to provide access to health care services, especially to those who are under insured and uninsured. A sliding fee scale program is available and bi-lingual services are available at all Valley View Health Center locations.

Valley View Health Center has six health centers in Lewis County and a Medical and Dental clinic in Raymond.

Valley View Health Center Dental Morton is located at 102 A Westlake Avenue. They can be reached at 360-496-5101.
